

NEW Entry Closing Date!

Arabians in Motion Sport Horse Classic
& Region 4 AHA
Sport Horse Championships

July 1-2-3, 2011

The Washington State Vet has lifted his equine travel restrictions as of 6/3. At this time, there are no restrictions on the movement of non-exposed horses within Oregon and there are no restrictions for non-exposed horses coming into Oregon from other states. Due to this recent change in status, the original closing date of June 6th for entries in the Region 4 Sport Horse Championship Show, has now been extended to **Monday, June 13th**. In addition, your checks will be held until approximately a week before the beginning of the show. This is to allow for the possibility of a change in status of the EHV-1 situation.
