

Thank You Exhibitors!

Thanks so much for joining us at the 2010 Region 4 AHA Championship Show in our first year at the Idaho Horse Park in Nampa, Idaho. We have enjoyed the many positive comments you have given us regarding the wonderful facility and the helpful Idaho Horse Park staff.

Many of you took pictures during our event and we'd like to invite you to share those with us for a "Candid Photos" page on our website. Please send your favorite snapshots to us at photos@aharegioniv.org. We also encourage your

comments and photos on our Facebook Page

With a facility that is new to all of us, and a totally revised show schedule, we realize that you will have some suggestions for improvement. We hope that you will let us know how we can make your show even better for 2011. In other words, if you told us something "in passing" during the show, please follow up with an e-mail message. We prefer e-mail, but will be happy to take your phone calls. Your input is very important to us and we want to make sure that your suggestions are recorded properly for consideration. 😊
